Diversity and School Improvement

Beal City Public Schools annually looks at its strengths and weaknesses. This process of self-examination takes place during our monthly District School Improvement Team (DSIT) meetings which are held on the third Monday of each month, unless otherwise noted, at 6:00 p.m. in the school Media Center. This year the topic of diversity was raised during our meetings and we took a long hard look at what Beal City Public Schools is doing, or could be doing, to help create and teach diversity to our students. You do not have to spend much time in Beal City to know it is not the most diverse place in America. This is not a bad thing or a good thing, it is what it is. It is not the school's place to change the make-up of the community or the school. However, it is the school's role to help teach diversity and tolerance.

When you talk about diversity, it is important that you begin by narrowing the topic down to the specific issues you are trying to address. As we learned in the DSIT conversations on the topic, diversity is very complex. It can sometimes become overwhelming and all encompassing; (race, ethnic, economic, age, gender, cultural, etc...) and then we throw the issue of tolerance into the mix. We as a school or you as a family might expose our children to diverse people, issues and cultures, but are they tolerant of those other people, issues, and cultures.

This led us to the conversation on things we are doing at the school to help with diversity and tolerance. Most of what we do is part of our curriculum. Most of our subjects touch on diversity in one way or another. We teach things about past injustices like discrimination that brought on the civil rights movement. All of our teachers at each grade level in the elementary school and our social studies teachers in the secondary school do wonderful age appropriate lessons on the movement and Dr. Martin Luther King Jr., usually during the month of January and Dr. King's birthday. I received a phone call around Dr. King's birthday inquiring why we do not have that day off of school like they do in the city. This can be a tough question to answer correctly. Maybe they ask the same question in the city; "Why don't we have Deer day off?" My answer was this, we must and should teach diversity to help build tolerance, but we also have a culture of our own we must live in. If we had school and did not recognize Dr. King and the civil rights movement that would be wrong, so we had and will continue to have school on Dr. King's birthday so we can teach about this wonderful historical man and the movement he inspired. Most of the other things we do to help teach diversity and tolerance are assemblies, special events and/or field trips to places as close as the Saginaw Chippewa Indian tribe reservation and as far as Lansing, Detroit or other big cities around the nation. We have even sent students to Germany, and Puerto Rico.

We encourage you to discuss the topics of diversity and tolerance with your student. If you do that and we continue to examine and explore diversity and tolerance at school your children will get the best well-rounded education possible. If you would like to continue to discuss topics such as this or other educational topics that affect your children here at school please come join us at our monthly DSIT meetings. Dates and times can be found on our school website @ www.bealcityschools.net.

THANKS FOR A GREAT EIGHT YEARS!

As I prepare to leave Beal City to become elementary principal at Hillcrest Elementary School and Special Education Coordinator in Alma, I want you to know how much I have enjoyed the eight years I have served as Mayes Elementary School Principal. Beal City is a phenomenal school district with an outstanding staff. I appreciate the tremendous support I received from the Board of Education, staff and community members. I will miss seeing the students' smiling faces and the welcoming atmosphere in the building. Thank you for allowing me to be a part of your lives in my own small way. With Aggie Pride, Mrs. Diane Saltarelli

MUSIC EXTRAVAGANZA A HIT!

Local talent helps raise almost \$4000.00 for the Beal City Educational Foundation

The Beal City Educational Foundation put on a great fundraiser on May 14th, to help raise funds for the foundation. Fundraisers like this do not come around Beal City too often. High quality professional music and a fun family friendly atmosphere made the Beal City Gymnasium feel like Radio City Music Hall. These funds will be used to continue to award mini grants and scholarships to Beal City students and educators.

The Music Extravaganza was wonderful and featured local professional music acts as well as a High School rock band, At-Risk, and our own Beal City High School Jazz and Concert bands. In the words of one of the many guests "it was three and half to four hours of music bliss." It was a great show with students showing their talents and professional musicians straight from Nashville performing for the home town crowd.

The foundation would like to take this opportunity to recognize Kristen Steffke, the recipient of the second annual scholarship award for the class of 2011. We would also like to recognize Cindi Gigowski and Jennifer Davis, the winners of the spring classroom grants. Congratulations to Kristen, Cindi and Jennifer! You can find more information on Beal City Public Schools, the Beal City Educational Foundation, and the Mt. Pleasant Area Community Foundation at www.bealcityschools.net or www.mpacf.org/.

Beal City Athletic Association Call for Volunteers and Thank You

As reported in the last Aggie Express, the response to the BCAA call for volunteers last year was well received allowing us to keep the concession stand open as much as possible. We were able to raise the necessary funds to pay for freshman sports and the athletic trainer. We will be calling upon parents of athletes to work the stand again this year as we need to raise another \$25,000 to cover these expenses next year. If you or someone you know is interested in working please contact Denise Schafer at 289-1108 or 774-4373 or schaf1dr@cmich.edu, as she handles the scheduling. High school students are also welcome and the hours worked can help fulfill community service hours.

If anyone is interested in joining the BCAA as a member, please contact Cindy Schumacher at (989) 239-7556.

The BCAA would also like to thank the family of Don Hauck and all of those who gave contributions in memory of Mr. Hauck. Contributions in his memory are greatly appreciated and will be used to support our student athletes.

FREE Summertime FUN – www.studyisland.com

A great FUN way to spend a rainy afternoon in the summer is working with your child and their growing mind. Children love to show how much they know and how much they have learned. You can also have FUN learning or maybe remembering a few things as well, but you will surely have FUN watching your child's mind develop in front of your eyes.

Beal City Public Schools offers to all of its 2nd -8th grade students and their parents a FREE online study and testing tool called Study Island. Study Island really brings the four core subjects (Language Arts, Math, Science and Social Studies) to life in an anytime anywhere online format. This tool is used during the school year at school, as well as at home to help prepare students for the types of questions they will see on the states standardized assessment (MEAP). Study Island is an excellent way to keep the concepts and skills your child has learned sharp, while exposing them to new concepts and skills they might not have learned yet. When your child logs onto the website, you will see you have access to all grade levels. Therefore when your child has mastered the concepts at their current grade level, they can move onto the next grade level to begin introducing those concepts. Some parents use Study Island in the summer to get their children ready for the next school year by working with them on the material of grade level their child is going into in the fall. Students love the challenge through the lessons, and then taking the tests. Students enjoy the game format and creating a competition with their parents. The lessons are full of great information, pictures, graphs, and wonderful materials to help your child learn the concepts and skills in a FUN, exciting way.

All of the students in 2nd – 8th grade have been given their own username and password. The website is easy to remember, www.studyisland.com. Accessing and navigating the website is very simple. If parents need help there is an online help link available to explain the concepts being taught and/or how to use the site. If you have any questions, comments, and or concerns regarding Study Island please feel free to contact Beal City Elementary at 644-2740, Junior/Senior High School at 644-3944, or Central Office at 644-3901

Free/reduced applications:

This is a free/reduced application. You only need to fill out one per family. We would like you to send these in before school starts so that we may begin processing your applications. Please mail these in by August 12, 2011 to: Beal City Public Schools, 3180 W. Beal City Rd., Mt. Pleasant, MI 48858.

Students who qualified last year will start this year at that same status but are required to fill out a new application every year. If you have a new child starting school or are new to this school, your child will be full pay until their application can be processed. You are responsible for any money accumulated in your child's account until their status has been determined. This can sometimes take a week, although, we try to start processing new students first.

Applications that are not fully completed cannot be processed. Please take the time to make sure that all of the proper information is listed. If you are using food stamps make sure that you give us your case number. The state will accept no other number so please double check this to ensure a speedy verification.

NEW THIS YEAR: the person signing the application only needs the last 4 digits of their social security number and a 0 must be in the income box for ALL household members that do not contribute income to the household... even if it is your child.

Thank you,

Marci Faber

PRICE CHANGES IN THE CAFETERIA AND NEW INFORMATION

As the new school year approaches, new ideas and prices are being brought to the cafeteria. Many changes have taken place including an unfortunate but slight increase in the prices of food due to Federal Government Law. The new prices for the 2011-2012 school year are as follows: Secondary and Elementary lunch is \$1.90. Milk for all students is \$.50. Breakfast stayed the same at \$1.20. The state requires that each day, the students will be given a choice between two lunches and it must consist of three of the five necessary components: meat/meat alternate, fruit, vegetable, bread and milk. If students do not choose three of these components then it will be considered ala carte. It will be more nutritious and cost effective to purchase a lunch versus ala carte.

We are adding more healthy items on a daily basis. For example, on the salad bar there will now be chopped romaine lettuce mixed with spinach leaves, more fresh fruits and vegetables and whole grains. Check out our menu for more changes. New snack choices will include healthier items such as yogurt, and Kashi granola bars, etc. which will be made available through ala carte. Our theme days will continue every month this year. In October we are going to celebrate homecoming with "Aggie Pride" and that same week is "National School Lunch Week". We hope that all students will join us for our fun theme days this year. The cafeteria staff is very excited about these changes and hopes that you and your students are too. We can't wait to welcome every one back!

CLASS LISTS

Class lists will be posted on the front doors of Mayes Elementary School starting the week of August 8. Elementary students will also receive their class placements and supply requests in the mail near that date. If you do not receive any information by August 12, please contact the elementary office at 644-2740.

SCHOOL HOURS

This is just a reminder that the hours of operation for Mayes Elementary School are from 8:00 a.m. until 2:50 p.m. Elementary students will be able to enter the cafeteria at 7:35 a.m. for breakfast. All other elementary students will have supervision on the playground starting at 7:35 a.m. as well. Lunch and recess will continue to be held from 11:00 a.m. until 11:45 a.m.

MAYES ELEMENTARY SCHOOL OPEN HOUSE

There will be an Open House for students entering Kindergarten through 6th grade and their families on Wednesday evening, August 31. This informal walk-through will take place from 5:30 – 7:00 p.m., allowing families to meet with elementary teachers and visit classrooms prior to the start of school. If you have any questions regarding our Open House, please contact the elementary office at 644-2740.

STUDENT DROP-OFF PROCEDURES

When dropping children off at Mayes Elementary School, please encourage them to use the crosswalk by the front entrance. It is difficult to see students when they are cutting through the parking lot and walking in between buses. We have had some close calls in the past and hope to avoid these situations in the future. Vehicles are also prohibited from parking in the yellow Bus Loading Zone in front of the building-even on a temporary basis. This, again, presents a hazard to children, bus drivers and other vehicles. We do appreciate those of you who follow these safety procedures.

ASBESTOS MANAGEMENT PLAN AVAILABLE FOR REVIEW

Our school district has conducted an extensive asbestos survey of all of our buildings. Based on the finding of this inspection, a comprehensive management plan was drafted. This plan details the response actions that the district will be taking regarding asbestos containing materials found in our buildings.

This plan is available for inspection at our offices without cost or restriction during normal business hours. If you desire to have a personal copy, please notify the main administrative office and it will be supplied to you within 5 working days at a cost of \$.30 per page.

Our main administrative office is located at: 3180 W Beal City Rd. Mt. Pleasant, MI 48858.

We endeavor to make our schools a safe place in which students can learn. Our procedures for dealing with this problem reflect that concern. Please let us know if we can answer any questions.

Dear Parents:

With summer rapidly coming to a close, it is time to begin preparation for the coming school year. We are again going to have orientation for 7th grade students on Tuesday, August 23, 2011 at 6:00p.m. in the Cafeteria. This will occur by students participating in the following discussions and activities:

1. Welcome/Introduction
2. Outline of student behavioral expectations, by examining new rules/policy/procedures, and reviewing portions of the student handbook most frequently violated (handbooks will be distributed).
3. Gather information and completed forms from parents/students.
4. Inform parents/students about proposed 7th grade schedules.
5. Issue locker assignments

The emergency information card, as well as free and reduced lunch forms will be available. Please complete these accurately. It is especially important to list home, work, and emergency phone numbers.

Please feel free to contact the school at (989) 644-3944 or (989) 644-3901 if you have any questions. We look forward to seeing you at orientation. Enjoy the rest of the summer.

Sincerely,

Jeffrey M. Jackson
M.S./H.S. Principal
Beal City Public Schools

DUAL ENROLLMENT MEETING

There will be an important orientation meeting on Monday, August 22nd in the High School Computer Lab, beginning at 10:00a.m. We will be going over how to login, begin, and prepare for the fall dual enrolled course(s) you've already registered for.

KINDERGARTEN GRADUATION

On June 10, the class of 2023 walked across the small gym floor to receive their kindergarten diplomas. Most of the attendees agreed that the new large projection screen in the small gym made for better viewing. It made it even harder not to shed a tear when the adorable smiling faces appeared six feet tall on the screen.

SHARE YOUR PANCAKES WITH AN INTERNATIONAL STUDENT!

When you share your family with a high School exchange student, you are giving them a view of America that will make a profound difference in who they are and how they relate to Americans. You, in turn, get a glimpse into their life and customs. That's just the beginning of the extraordinary benefits hosting brings to families, students and the world.

Council Educational Travel needs host families for the 2011/2012 school year. High School students are 15-18 years old and eager to learn about American culture. They are fluent speakers of English, medically insured, and have spending money.

Host Families provide a safe and nurturing English speaking environment, a quiet place to sleep and study (sharing a room is fine), meals and snacks as you would provide a family member and an open heart and willingness to experience another culture.
