## Our State Championship Football Team!

*The Beal City Aggies football team was crowned Division 8 state champions on Friday, November 27 at Ford Field in Detroit for the second time in school history amassing a 13-1 overall record in route to the championship. The first state championship was won in 1994. In the storied history of Beal City football there have been 3 state runner-up finishes (1987, 2001, 2003) as well. Also in this millennium there were semi-finals appearances in 2004, 2007, and 2008. The 2009 Aggies also won the 7th consecutive Highland Conference Championship with a 6-0 record. Over this seven year period the Aggies have accumulated a 37-1 record. Congratulations on an outstanding season. If you missed the game, it will re-air on Saturday, December 26 at 12:00 or Friday, January 1st at 12:00pm on Fox Sports Detroit.*

## Project Pals

*A lot of Pilgrims, Native Americans and even turkeys were spotted roaming the halls of Mayes Elementary School on Monday, November 16! Our second grade students and their high school mentors presented their annual Project PALS Thanksgiving program and dinner. Thanks to the combined efforts of Marci Faber and her food service staff over 150 people enjoyed a delicious home-cooked turkey dinner. High school PALS contributed salads and desserts. A silent auction was also held to defray some of the cost of feeding such a large, wonderful crowd. All of this would not be possible without the outstanding efforts of the following Beal City teachers: Ms. Jennifer Courtright, Mrs. MariAnne Reihl and Ms. Jessi Spry.*

## Halloween Fun Day

After school on Thursday, October 29, fifth and sixth grade students were invited to join Mr. and Mrs. Chilman and Mr. Beckwith for some spooky fun. Students enjoyed pizza, chilling to some tunes, and wrapping up their favorite mummies in the small gym.

A special thanks to the Chilman family and Mr. Beckwith for organizing and supervising this special event.

## New Recess Detention Procedure

In an attempt to reduce minor infractions during the school day, Mayes Elementary School is implementing a new Detention Procedure during afternoon recess starting December 1. Students could receive a Recess Detention for infractions such as: bullying, classroom disruptions, physical aggression (non-injurious), throwing objects, being verbally inappropriate, work refusal or uncooperative behavior. Detention will take place during afternoon recess and will be staffed by elementary teachers. After a student is referred to the Detention Room, s/he will be required to fill out a "Responsibility Plan" which needs to be signed by the student, referring adult, and the student's parent/guardian. Repeat offenders could receive phone calls home, Saturday School, or out of school suspension(s).

In order to encourage positive behavior, we will continue to have weekly Character Counts drawings, special seating at "Blue Table" during lunch on Fridays, intentional teaching of Character Counts pillars in classrooms, end of semester field trips/special activities, and "Recommend a Friend" for good character slips as incentives. If you have any questions, regarding this new procedure, please call the elementary office at 644-2740.

## Winter Break

School will be closed from December 24-January 3 for winter break. School will resume on Monday, January 4.

## Holiday Program Postponed

*Due to a critical illness in Mrs. Sharrar's family, we will be canceling the Holiday Program and Senior Citizens Reception scheduled for December 17. We will be rescheduling the program and reception in January. The date will be announced in the near future. Thank you for your understanding and patience. We apologize for any inconvenience this may have caused.*

## Basketball Promotion at BENNIGANS!

The Beal City boys basketball team would like to invite everyone out to eat at Bennigan's Restaurant in Mt. Pleasant on Wednesday December 16th. There will be flyers distributed at the boys first home game December 12th against Clare. Also, emails will be circulating for you to print the flyer yourself. All you have to do is present the flyer to your waiter or waitress and the boys basketball team will receive 20% of the bill at no extra cost to you! The deal lasts all day. Spread the word and please join the team for a Beal City dinner night out at Bennigans!

## Recess in Rose

On Wednesday, November 25, Mayes Elementary K-6th grade students and 4th-6th grade students from St. Joseph the Worker Schools were invited to join area schools in cheering on the Lady Chippewas Varsity Basketball Team in Rose Arena at CMU. An educational program was presented before the game by the Multicultural Education Center on campus. During half-time, students displayed the basketball posters they made for the team in hopes of winning a pizza party. We wish to thank Assistant Varsity Coach Bill Ferrara, Transportation Director John Graham, Mayes Elementary Staff and chaperones for making this a fun, exciting "Recess in Rose". We would also like to thank the PTO for donating \$150 to help defray the cost of transportation. A big hug to Rod Cole, Terry Lambourn, Charity Torpey, and Carrie Gott for raising funds by popping the best popcorn in Beal City!

## Parent Teacher Conferences a Success!

We had an incredible turnout on Thursday, November 12 for Parent-Teacher Conferences this year. Many parents also did some early holiday shopping while visiting the Book Fair and placing orders for Aggie spirit gear. Our sincere appreciation is extended to the PTO for providing both opportunities to our students and their families.

# PTO News

**Aggie Gear:** If you would like to purchase or order Aggie spirit wear (sweat-shirts, sweatpants, t-shirts, water bottles, etc.), please contact Shana Puhlman at 621-0675. The new designs have been selling like hotcakes!

**Book Fair:** Books were flying off the shelves during the week of November 9 as staff, students and their parents purchased favorite reading materials. Due to exceptional sales, all teachers received \$80 worth of new classroom books. The Title program received \$160 and the Media Center received \$360 toward the purchase of new books as well. A HUGE THANK YOU to our PTO and volunteers for spending four and a half days manning the Book Fair.

**Meetings:** All PTO meetings take place the first Monday of the month. The next meeting takes place on December 7 at 6:30 pm in the Title classroom. We hope to see you there!

**Santa's Shop:** Our elementary PTO is again sponsoring Santa's Shop which takes place on Friday, December 11. Students are allowed to take a "shopping trip" where secret purchases can be made for family members and friends. The PTO will send more information home with students on December 4. Please remember that students are not required to participate by purchasing gifts. This event does not generate any profit for the PTO; it is strictly for the benefit of the children.

**Walk-a-thon:** We would like to thank the many volunteers, PTO members, Mr. Beckwith and Mrs. Sharrar for helping make the Walk-a-thon a success again this fall. Izabella Benzinger won the gift card and DS player for bringing in the most pledges. Mrs. Maxon's class won the Ice Cream Party on Friday, November 13 for raising the most funds through pledges. Thank you to Hammer Restoration for donating the goody bag items.

## Christmas Outreach

Mayes Elementary students and staff will again be collecting items for the Isabella County Christmas Outreach program to benefit needy families in keeping with our Character Counts pillars of Caring and Citizenship. Students should have brought home a list of new toys, toiletries, and school supplies as suggested items needed to fill our classroom Christmas stockings. Please do not wrap these items. This is strictly a voluntary program. If you are able to donate items, please send them to school by Thursday morning, December 10. We appreciate your generosity at this special time of year.

## Storybook Author Visits

*Author and illustrator Eric Stock visited Mayes Elementary first and second grade students on Monday, October 26 to share his delightful cast of characters. We were introduced to Oliver, the world's most adventurous cow, and the world's smartest opossum through riddles and rhymes. Fiona gave Eric a thumb's up by stating, "You are a good writer!" In summing up the moral of one book Jay added, "You should not judge someone before you meet them." Read all about Eric and his three wonderful storybooks at OliverCow.com. You can purchase soft cover copies of his books online for \$8.95 each. You can also view a copy of Eric's first book in the Mayes Elementary Office. We have invited Eric to make a return visit for March Reading Month.*

## Featured Student Teacher

Mr. Mike Yoder has been a student teacher with Mr. Klapp at Mayes Elementary School this fall. He graduated from Laker High School in 2005. While in high school he was the manager of a local Little Caesar's restaurant. He received his Bachelor of Arts degree in social studies and elementary education from Spring Arbor University in 2009. He worked his way through college as a server at a Lonestar Steakhouse and as a substitute teacher.

Mr. Yoder has many interests and hobbies. He enjoys traveling and playing soccer. Dogs are his favorite pet. He prefers listening to songs sung by John Mayer. His favorite book is the Life of Pi. After living in Japan for three months last summer, he developed a taste for sushi. He's looking forward to becoming an uncle in February and can't wait to start his career as a teacher. A big Beal City welcome to Mr. Yoder!

# REPORT to PARENTS

## Tips on Gift-Giving and Receiving

With the major holidays approaching, parents face two challenges: First, how to find the perfect presents for their children – the gifts that will be loved for years, not just hours – and perhaps more importantly, how to make sure their children are kind and grateful recipients, no matter what they get. Here are some ideas to try.

**Teach them what they're thanking people for.** What your children need to learn is that the thanks they give isn't necessarily for what is in the box – it's for the effort and caring that went into it. Their thanks needs to show that they recognize that someone cared enough to select a present just for them, pay for it, wrap it, and bring it to them.

**Understand that disappointment is part of life.** It's a guarantee that at some point your child is going to receive something he or she doesn't like or want. Explain this to your child ahead of time. Laugh about some gifts you've gotten that were unusual.

**When to write thanks, when to say thanks.** Let your children know that if a relative is in the room when they open their present, that a sincere face-to-face thank you (and a hug) is great. For everyone else, a thank-you note is an absolute must.

**Appeal to their desire for "more."** Sometimes children need to think of things from their own, slightly selfish, perspectives. Tell them that people may be less inclined to give them a nice gift if they don't seem grateful for the gifts they've received in the past.

**When they're the "giver."** One of the best ways to help children realize the significance of giving is to make sure they spend time finding and wrapping the gifts they give to others. Give them odd jobs to help them earn the money to buy gifts. Help them get excited about choosing just the right gift for each person.

**Give to others.** Help your children help those

less fortunate. Save money for charity bell-ringers, adopt a less-fortunate child through anonymous giving programs, or work in a food kitchen. Show your children that giving is more rewarding than receiving.

**Give gifts that expand their interests.** Among the best gifts for children are things that introduce them to new activities: origami, tie dying, model planes or cars, scrapbooking, photography, cooking, or basic woodworking.

**Look for presents that help them stay active.** Any kind of sports equipment helps kids have fun and get exercise. Either give the child something you know he or she wants and needs (a new glove), or introduce him or her to a brand new sport (tennis racket and balls).

**Practical gifts can be fun, too.** A sleeping bag for overnights, or a small overnight bag or suitcase can be wonderful presents. Look for designs that will appeal to the child for years to come.

**Spin the wheel, roll the dice, deal the cards.** Card and board games are classics for a reason – they have been fun to play for decades. Look for games that children can play with just one or two others, as well as those that are for family-sized groups.

**Open up to books.** When you give a child a book, you're giving both of you a present. Younger children will enjoy the time they get to spend reading it with you. Older kids will be quietly building their reading skills and vocabulary, as well as their imaginations.

If you're really stumped about gift-giving, talk to friends or relatives who have children slightly older than yours. Ask what gifts their children really played with – gifts that lasted in appeal long after the "newness" wore off.
