

Emergency and Crisis Procedures Flip Chart

A public school must provide a safe and orderly environment for staff and students. Even in the face of emergency, the need to maintain this environment is essential. Therefore, this plan for Isabella County Schools has been developed with that in mind.

Acknowledgements

The Isabella County School Safety Alliance (SSA), and this Emergency and Crisis Procedures Flip Chart, specifically, were funded through a grant provided by the Saginaw Chippewa Tribe. The SSA would like to thank the following people for their guidance, leadership and expertise, all of which contributed to the development of this document.
