

ALLERGIC REACTION

(Priority 2)

STEPS OF ACTION:

TEACHER/STAFF:

NOTIFY office.

If possible, escort student/employee to the office or clinic.

If life threatening danger (difficulty breathing) exists:

KEEP the student/employee still, comfortable, and reassured.

NOTIFY 911.

NOTIFY School Nurse; utilize other trained persons on staff. Always get advanced medical personnel on scene as soon as possible. Small reactions can get worse quickly.

OFFICE:

NOTIFY School Nurse (if available).

OBTAIN emergency card.

NOTIFY Parents/Guardian.

CHECK to see if an allergy kit is available in the office or nurse's office.
