# Beal City Public Schools

Dear Families, Community Members, Guest and Visitors of Beal City Public Schools:

Welcome to our school campus. If you are a visitor or a guest thank you for coming to Beal City. If you are a part of the Beal City family as a staff member, student, parent, alum, or a community member, **THANK YOU** for your interest in and commitment to Beal City Public Schools, and our community. . I would love to share with you some of the things that make Beal City a special place. Beal City is a close knit, caring, supportive community steeped in tradition. The community offers a high quality of life and the school provides a unique world class education. Beal City respects its rural setting and cherishes its hometown atmosphere and small town values.

The school district, while small in size, provides a **HUGE** education with a personal touch. People in this community are proud of their school district and they want it to succeed. The things that are important to the community, and areas the school takes pride in are:

- Our staff that is caring, dedicated and experienced
- Our parents that are caring, committed and involved
- The individual attention we give to each student
- Our quality Academic and Athletic programs that are rigorous, relevant, successful, and challenge all students to learn, succeed, and excel
- The clean, well taken care of facilities that provide a safe and secure environment for all
- Last, but not least, our **STUDENTS**

Our educational excellence is achieved by everyone in the community and school working together as a team. That team takes great pride in the quality of work they do to ensure that teaching and learning does not stop here at Beal City Public Schools. Our Mission Statement is: “Beal City Schools, in harmony with home and community, will educate our children in a positive environment that meets individual needs and goals in order that all students successfully function in an ever-changing global society”

Again, welcome and enjoy the reason and experience you are here on the Campus of Beal City Public Schools. If you need anything, please find a Beal City Public Schools staff member, and you can be assured you will be helped.
