The Board shall notify the Superintendent of its actions, in writing annually.

1. Administrator shall perform the duties of Superintendent as prescribed by the Board and as may be established, modified and/or amended from time to time by the Board. Administrator acknowledges the ultimate authority of the Board with respect to his responsibilities and directions related thereto. Administrator is subject to assignment and transfer to another administrative position of employment in the School District at the discretion of the Board. If the Administrator is subject to assignment and transfer to another administrative position, the salary for such position shall not be less than immediately preceding year's salary.

2. Administrator represents that he possesses, holds and will maintain all certificates, credentials and qualifications required by law, including the regulations of the Department of Education, and those required by the Board to serve in the position assigned. Additionally, Administrator agrees, as a condition of his continued employment, to meet all continuing education requirements and/or qualifications for the position assigned as required herein, this Contract shall automatically terminate and the Board shall have no further obligation hereunder.

3. Administrator agrees to devote his talents, skills, efforts and abilities toward competently and proficiently fulfilling all duties and responsibilities of the position assigned. Administrator agrees to faithfully perform those duties assigned by the Board and to comply with the directives of the Board with respect thereto. Further, Administrator agrees to comply with and fulfill all responsibilities and tasks required by state and federal law and regulations and by the Board to carry out the educational programs and policies of the School District during the entire term of this Contract. Administrator pledges to use his best efforts to maintain and improve the quality of the operation of the School District and constantly promote efficiency in all areas of his responsibility.

The Superintendent shall serve as chief executive officer and chief administrative officer of the Board. He shall be entitled to:

- a. Present his recommendations to the Board on any subject under consideration by said Board;
- b. Attend each meeting of the Board
- c. Serve as an ex officio member of each committee established by the Board excluding the sick leave bank committee.

The Superintendent shall have complete freedom to organize, reorganize, and arrange the administrative and supervisory staff, including instruction and business affairs, which in his judgement best serves the District. The responsibility for selection, placement, and transfer of personnel shall be vested in the superintendent subject to approval by the Board; and the board, individually and collectively, shall refer promptly all criticisms, complaints, and suggestions called to its attention to the Superintendent for study and recommendation.

4. Administrator shall be paid at an annual (twelve month) salary rate of not less than One Hundred and Two Thousand Five Hundred Thirty Six Dollars and Thirty Six cents (\$103,561.72) in consideration of his performance of the duties and responsibilities of the position assigned in conformance with the requirements and expectations of the Board.

The annual salary shall be paid in twenty-six (26) bi-weekly installments beginning with the commencement of the fiscal/contract year (July 1 – June 30).

The Board hereby retains the right to increase the annual compensation of Administrator during the term of this Contract. Any increase in compensation made during the term of this Contract shall be in the form of a written amendment and when executed by Administrator and the Board, shall become a part of this Contract.

5. Administrator is employed on the basis of fifty-two (52) weeks of work per contract/fiscal year (July 1 through June 30) as scheduled by the Board. Administrator shall be granted vacation time of twenty five (25) days per fiscal year. Vacation days should be used within the fiscal year for which they are made available. Five days of vacation may be carried over into the next fiscal year. Five (5) days of unused vacation time can be turned into sick leave time at the end of each contract year. Administrator shall schedule use of vacation days in a manner to minimize interference with the orderly operation and conduct of business of the School District.

6. Administrator's performance shall be evaluated and reviewed by the Board annually, not later than March 31.

7. The Board shall be entitled to terminate the Administrator's employment at any time during the term of this Contract when it determines that Administrator has engaged in acts of moral turpitude, misconduct, dishonesty, fraud, insubordination, or if Administrator materially breaches the terms and conditions of this Contract.

The foregoing standards for termination of this Contract during its term shall not be applicable to non-renewal of this Contract at the expiration of its term, which decision is discretionary with the Board.

In the event that the Board undertakes to dismiss Administrator during the term of this Contract, he/she shall be entitled to written notice of charges and an opportunity for a hearing before the Board. In the event of termination of employment during this Contract, this Contract shall automatically terminate and the Board shall have no further obligation hereunder.

8. In the event of Administrator's mental and/or physical incapacity to perform the duties of his office, he shall be granted an initial leave of ninety (90) work days for purpose of recovery. The Administrator shall first exhaust any accumulated sick leave and accrued vacation time, with the balance of the ninety (90) work day period to be unpaid. Health plan premium payments shall be made on behalf of Administrator during this interval to the extent required by law. Upon utilizing leave under this provision, Administrator shall furnish medical certification to the Board (or its designee) respecting the necessity for the leave.

If the Board (or designee) has reason to doubt the validity of the medical certification supplied by Administrator, it may require a second opinion, at Board expense.

Administrator may request a ninety (90) work day unpaid leave extension in the event of his physical and/or mental inability to return to work at the expiration of the initial leave interval, as described above, provided that there is a verified prognosis that Administrator will be able to resume his duties at the conclusion of the extended leave interval. Medical certification shall be supplied by Administrator as a condition to any leave extension. Any extensions of leave for this purpose shall be at the discretion of the Board.

If Administrator is unable to or does not resume work at the conclusion of a leave taken under this paragraph (or any extension thereof), his employment and his Contract may be terminated at the option of the Board. However, no such termination shall occur where restoration after leave is required by the Family and Medical Leave Act.

Prior to resumption of duty after an unpaid leave of absence for a serious health condition, Administrator shall provide to the Board a fitness for duty certification from Administrator's health care provider. A second opinion may be required by the Board, at its expense, unless the securing of the second opinion in this context is precluded by the Family and Medical Leave Act.

9. Administrator agrees that he shall not be deemed to be granted continuing tenure in the position initially assigned or to which he may be assigned or transferred or in any capacity other than that of a classroom teacher, should the probationary period required for tenure as a teacher be fulfilled, by virtue of this Contract or any employment assignment (requiring certification) with the School District. Nor shall the decision of the Board not to continue or renew the employment of Administrator for any subsequent period in any capacity, other than as a classroom teacher, as may be required by the

Teachers' Tenure Act, be deemed a breach of this Agreement or a discharge or demotion within the provisions of the Michigan Teachers' Tenure Act.

10. Administrator shall submit to such medical examinations, supply such information and execute such documents as may be required by any underwriter, policyholder or third party administrator providing insurance programs specified under this Contract. Additionally, upon request of the Board, Administrator shall authorize the release of medical information necessary to determine if Administrator is capable of performing the essential job functions required by his assignment, with or without reasonable job accommodation(s). Any physical or mental examination or disclosure of such information required of administrator by the Board shall be job related and consistent with business necessity. Any medical or psychological examination under this section shall be a Board expense. Any information obtained from medical or psychological examinations or inquiries shall be considered and treated as confidential.

11. The Board of Education will provide the Superintendent with the following benefits:

 - c. The Superintendent shall be granted 3 personal days per year, accumulate to a maximum of 8 days.
 - d. The Superintendent shall be granted 12 sick days per year. Absences three days and longer may require a doctors slip, at the discretion of the Board. Ten sick days per year may be used for illness of an immediate family member. Unused paid leave days hereunder shall be cumulative to a maximum of 180 days for absence due to personal illness or disability of Administrator.
 - e. The Superintendent, when employment with the district ends, will be paid 50% of teachers' sub rate times the number of unused days up to a maximum of 100 days; ten years of service as an employee of the Beal City Public Schools are necessary in order to qualify.
 - f. The Superintendent shall receive 4% of current salary upon retiring from Beal City Public Schools and being eligible for retirement from the MPSERS, if employed by the District for at least 10 years.
 - g. The Board shall provide the Superintendent with a monthly automobile allowance of \$321.62 with trips outside Intermediate School District to be reimbursed at the I.R.S. rate.
 - h. The Superintendent shall have all fringe benefits at least equivalent as those granted by the Board to the other administration.
 - i. The Superintendent, upon prior approval of the Board, will be reimbursed tuition and fee costs up to \$3,000/year for further educational opportunities.
 - j. Cell phone provided by the district.

12. Administrator is entitled to the following holidays for which no service to the School District is required: New Years Day, Good Friday, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, Day after Thanksgiving, Christmas Eve Day, Christmas Day, New Years Eve Day.

13. The Superintendent shall attend appropriate professional meetings at the local, state, and national levels and shall be reimbursed for his expenses in connection therewith and for any other reasonable out-of-pocket expenses incurred on behalf of the Board. All out of State travel and/or overnight stays for professional meetings must have Board pre-approval. The District shall pay the Association dues of the Superintendent for the American Association of School Administrators, the Michigan Association of School Administrators and M.A.S.A. Region in which the School District is located as well as other appropriate affiliations as approved by the Board.

14. The Board agrees to pay the premium amount for errors and omissions insurance coverage for Administrator while engaged in the performance of a government function and while the Administrator is acting within the scope of his authority. The terms of the errors and omissions insurance policy shall be controlling respecting defense and indemnity of Administrator. The sole obligation undertaken by the Board shall be limited to the payment of premium amounts for the above errors and omissions coverage. In the event that such insurance coverage cannot be purchased in the above amounts and/or at a reasonable premium rate, the Board shall have the right to discontinue said coverage and shall so notify Administrator. In the event, the Board agrees on a case-by-case basis to consider providing legal defense and/or indemnification to Administrator as is authorized under MCLA 691.1408 and MCLA 380.11a(3)(d).

15. This Contract contains the entire agreement and understanding by and between the Board and Administrator with respect to the employment of Administrator and no representations, promises, contracts or understanding, written or oral, not contained herein, shall be of any force or effect. All prior agreements pertaining to, connected with, or arising in any manner out of the employment of Administrator by the Board, are hereby terminated and shall hereafter be of no force or effect whatsoever. Provided, that this contract is voidable pursuant to the provisions of the Revised School code pertaining to criminal records checks. No change or modification of this Contract shall be valid or binding unless it is in writing and signed by Administrator and the Board. No valid waiver of any provision of this contract, at any time, shall be deemed a waiver of any other provision of this contract at such time or at any other time.

16. In the event of any dispute between the parties relating to discharge of Administrator during the term of the Contract, the parties hereby agree to submit such to binding arbitration. Selection of the arbitrator and the arbitration proceedings shall be conducted under the National Rules for the Resolution of Employment Disputes of, and administered by, the American Arbitration Association. Arbitration under this provision shall be conducted pursuant to the terms of the Michigan Arbitration Act, MCLA 600.5001 et seq and MCR 3.602.

The parties intend that this process of dispute resolution shall be inclusive of all contract and statutory claims advanced by Administrator arising from Administrator's discharge during the term of his Contract, including (but not limited to) claims of unlawful discrimination and all claims for damages or other relief. However, this agreement to arbitrate does not restrict Administrator from filing a claim or charge with any state or federal agency (such as the Equal Employment Opportunity Commission or the Michigan Department of Civil Rights), and does not apply to any claims for unemployment compensation or workers' compensation which may be brought by Administrator. Instead, this agreement to arbitrate claims applies to those matters which would otherwise be subject to state or federal court proceedings.

This agreement to arbitrate means that Administrator is waiving his right to adjudicate discrimination claims in a judicial forum and is instead opting to arbitrate those claims. In any such arbitration proceeding, Administrator shall have the right to representation by counsel of his choice, the right to appointment of a neutral arbitrator, the right to reasonable discovery and the right to a fair hearing. However, Administrator, through this agreement to arbitrate such claims, does not waive any statutory rights or remedies in the context of such arbitration proceedings.

The arbitrator's fee and the costs imposed by the American Arbitration Association shall be shared equally by the Board and Administrator, subject to the right of Administrator to seek to tax such fees as costs against the Board.

Any claim for arbitration under this provision must be filed with the American Arbitration Association, in writing, and served on the Board within one hundred eighty (180) days of the effective date of Administrator's discharge during the term of this Contract. The Decision and Award of the arbitrator shall be final and binding and judgment thereon may be entered in the Circuit Court for the 21st Judicial Circuit of Michigan (Isabella County).

17. If any provision of this Agreement becomes or is declared by a Court of competent jurisdiction to be illegal, unenforceable or void, this Contract shall continue in full force and effect without said provision(s).

18. This Agreement is executed on behalf of the Beal City School District pursuant to the authority granted as contained in the resolution of the Board adopted on August 21, 2017, the same being incorporated herein by reference.

19. The Board, upon request of the Superintendent, shall reduce from his salary and transfer such sums as he shall designate to a tax-deferred annuity program of the Superintendent's choosing.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed on the day and year first above written.
