Nicholas Freeze DAR Good Citizen for 2017-2018

Congrats to senior Nicholas Freeze for being nominated as the DAR Good Citizen of the year for Beal City Schools. Each year staff and senior peers nominate who they feel emulates good character in their graduating class. This person must show qualities of dependability and patriotism, with commitment to service and leadership. Nicholas will be honored in our school, and will compete for a scholarship against other DAR Good Citizens within the state, and potentially the nation. Congrats, Nick!

Congratulations to Stephen Pritchard who was chosen as our latest CFX Golden Apple Award winner this month & here's why:

Andrew Atkinson nominated Stephen Pritchard and wrote...

"Mr. Pritchard is a very caring teacher. He is the type of guy who goes out of his way to help other students to do their best in all classes. He is more than a big help in the classroom, but also for sports. I would like to nominate Stephen Pritchard for going out of his way to help young students do their best in high school and have fun doing it in the process."

On Thursday, November 16th the National Spanish Honor Society inducted ten new members including Andie Loos, Kendyl Wilson, Faith Moody, Kayla Reihl, Dexter Lynch, Kelsey Pasch, Jade Gottleber, Jordyn Fillenworth, Zoey Zeneberg, and Zoey Mishler. The new and returning members look forward to serving their community and raising money for the upcoming 2019 trip.

*****Staff Member of the Month*****

The Beal City Board of Education, in appreciation of the hard work that is done by all members of Beal City Public Schools, would like to honor one staff member each month for their service to the students and community of Beal City. This month's honoree is Jennifer Davis.

Mrs. Davis has been with the Beal City Public School District for the past 14 years. During her time as an Aggie educator she has been dedicated to the school and community and continually advocates for the students. She is a true professional as well as a valued member of the Beal City Educational Community. She has been involved with many activities and clubs (German Links, YIG, Class Advisor, etc.) throughout her tenure. Congratulations to Mrs. Davis for being our featured Staff Member for the Month of December!

Holiday Program

We are trying something a little different this year with our holiday program. It will take place this year on December 22nd, the last day before our holiday break. The senior citizen reception will begin at 12:30 and the program will start at 1 pm. As usual, parents will be able to sign their students out following the program. Hopefully this will serve as the grand finale sending us off into break.

5th Annual-Apple Crunch Day

October 26, 2017 at 9:00 a.m. we celebrated National Food Day and Apple Crunch Day! We had over 800 people participating this year. We joined other schools and businesses around the state to raise awareness about healthy eating and wellness. Joining thousands of people around the state of Michigan, we crunched into a Michigan apple on the same day! We work with Hearty Harvest out of Remus Michigan (thank you, Will Benton and Natalie Pennington!) in the Farm to School program. The apples were grown on their farm!

When we come together around something so simple as a Michigan apple, we connect to our agricultural heritage, we build local communities, we strengthen our regional economy by keeping our dollars circulating locally, and probably most importantly-we benefit nutritionally from eating a whole, fresh and delicious fruit.

If you google "apple crunch day Michigan 2017" and click on the first link that shows up, Cherry Capital foods, uses our photo from 2015 on their home page, featuring our students posing to bite into an apple.

Larceny and Old Lace at Delta College

On Thursday, October 26, 2017, G'ne Holt and Sara Doyle took a group of students to Delta College to watch the play "Larceny and Old Lace" by Van Vandagriff. "Larceny and Old Lace" is a spoof of the classic "Arsenic and Old Lace."

Beal City Elementary Girls Basketball will play at halftime on the following dates.

12/12/2017 Pine River JV 3rd and V 6th

12/14/2017 McBain JV 2nd and V 5th

1/3/2018 Montabella JV 1st and V 4th

Spanish II and Art classes head to the Detroit Institute of Arts

On October 31st, our Spanish II and Art students went to the Detroit Institute of Arts to see the ofrendas, alters, for the holiday Día de los muertos. We were also able to visit the Diego Rivera Courtyard and see the incredible murals by the Mexican artist, Diego Rivera. Afterwards, students had time to visit other incredible parts of the collection our museum has. Some of the favorites were the Detroit Hip Hop series, the works of Money, and ancient weapons and armor.

Another stop we made was to the bakery, La Gloria. This is a traditional Mexican bakery just outside of Detroit. The students were able to purchase and try traditional sweets and baked goods. It was well worth the trip.

A special thanks to all those that made this trip possible. Thank you to The Detroit Institute of Arts for giving our students such an incredible opportunity. Thank you to La Gloria Bakery. Thank you to the Saginaw Chippewa Indian Tribe for the Field Trip Grant. Thank you to Target Stores for their generous grant. Thank you to our chaperones, Carol Webster, Tim Swanson, Judy Power, Bianca Vuillemot, Carrie Meyers, Mason Ambs, and Shala Stevens

The BCEF Gives Thanks to the Community

The BCEF would like to thank the community for another great annual fundraiser. We raised approximately \$13,000 at our Halloween Bash due in part to the awesome business sponsors that we had this year. Thank you all. We are increasing our endowed fund every year. The success of the BCEF is a direct reflection of the awesome community we live in. This community cares about the school and can see the opportunity that the BCEF is providing for the future of Beal City students. For the graduating class of 2016 and 2017, we awarded six \$500 scholarships. We hope that the investments generate enough this year that we will be able to award six scholarships in 2018!

If you have not heard the great news yet about the BCEF, we announced at the annual fundraiser that our fund now has more than **\$100,000 in the endowed funds**. This is a huge milestone and we are excited to see where the fund is going to go from here!!! The BCEF can only spend the interest earned on these funds, so, the more money we get in the fund, the more money there is available for scholarships.

Here is a list of our awesome sponsors. We could not have gotten to the point we are now without you.

We also had a tremendous Trunk or Treat on Halloween night. We estimate that there were about 500 children who attended the BCEF Trunk or Treat. It was a lot of fun to watch the kids go from car to car in the school parking lot and “Trunk or Treat”. A huge thank you goes out to the 20-30 families that set up their vehicle and brought treats for the kids!!

Background Checks

To ensure the safety and security of all of our students, Beal City Schools will be requiring background checks for all chaperones and classroom volunteers/visitors. A list of approved volunteers will be compiled using the Michigan State Police ICHAT system and only those individuals will be allowed into classrooms. If you would like to be added to the list, please complete an ICHAT authorization form and return it to the school. We would encourage everyone to err on the side of caution and complete an authorization form just in case an opportunity arises down the road and you would like to volunteer. We certainly do not want to have to turn anyone away due to oversight, but we simply cannot allow unrestricted access to anyone who shows up. Please contact Mr. Johnston at Beal City Elementary if you have any questions or concerns. We recognize that this is a bit of a shift from what has been done in the past, but it will be a positive change for all of our students.

School Breakfast Facts

A great breakfast program is offered at school every day!

Here are some fun facts about school breakfast:

- It's easy! Instead of running around in the morning trying to make sure your children eat a healthy meal, let us do the work. They can get a great breakfast at school, and there will be no dishes for you to wash!
- It's affordable! If qualified, your child may be able to get breakfast at a reduced price or for free. If your child already eats a free or reduced price lunch, they automatically qualify for a free or reduced price breakfast.
- It's tasty! Schools now have more variety to choose from when deciding what to offer your children for breakfast. Request a menu so you can view what your child may be eating at school.
- It's good for the brain! Research suggests that not having breakfast can affect children's intellectual performance (CDC).

Every morning our breakfast consists of these whole grain items: assorted pop tarts, muffins, uncrustables, donuts, cereal, yogurt, juice, cheese stick and milk. Students must choose a fruit and 2 grain items.

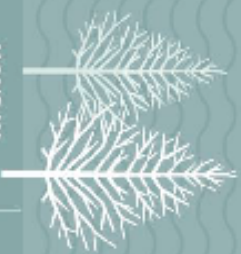

Location: Aggie Cafeteria

Breakfast time every day: 7:40-8:05

Full pay price: \$1.50

Reduced: \$.30

Remember, no breakfast will be served if we have a delay.
