## Introducing New Staff

Beal City Schools would like to introduce Griffin Bohannon as our new Middle School/High School Math Teacher. Griffin is a 2006 graduate of Alma High School. He has a Bachelor's Degree from CMU and is currently working on his Masters from CMU. Griffin's wife Ali is also a CMU grad and works as an Interior Designer for B-Squared Design Studio. Their son, Cullen, was born May 25, 2018. Watching him learn new things and play has been the highlight of Griffin's summer.

Griffin loves to read and this love for reading started with the Harry Potter books when he was in 6<sup>th</sup> grade. He loves all sports, particularly running. He is also a huge CMU and Detroit sports fan.

His family stays up in Glen Arbor, MI (30 minutes west of Traverse City) for a week every summer. He also travels a lot for races and has completed 10 marathons with a personal best time of 2:25:17.

We're very excited to have Griffin join our staff at Beal City Schools! Welcome, Griffin!!

### **We Need YOU!**

Would you like to make a difference in your child's school? Well, here's how!

Every year, your family receives a Free and Reduced Price Meal Application. It is important to fill out this form and return it to school for two reasons:

1. The application lets us know if your child is eligible for free or reduced price school meals. Children from families that earn below a certain income level can receive free or reduced price lunch and breakfast at school.
2. Applications are used to match funding our school receives for resources for students such as books and classroom furniture.

The application is easy to fill out and easy to understand. Also, you do not have to worry about your information being shared with others because application information is **CONFIDENTIAL**.

Support the School Breakfast Program today by completing your application! If you have any questions, feel free to contact Marci Faber 989-644-3901 or [mfaber@bealcityschools.net](mailto:mfaber@bealcityschools.net).

**Every morning our breakfast consists of a hot lunch item and these cold whole grain items: muffins, uncrustables, donuts, cereal, cheese stick, juice and milk. Students must choose a fruit and 2 grain items.**

**Location: Aggie Cafeteria**

**Breakfast time every day: 7:40-8:05**

**Full pay price: \$1.75**

**Reduced: \$.30**

**Remember, no breakfast will be served if we have a delay.**

Take a spin in a new Ford vehicle. For every test-drive taken, Ford Motor Company will donate \$ 20 to your cause, for a total of up to \$ 6,000 per event.\* A little drive could go a long way.

\* NO PURCHASE NECESSARY. MUST BE 18 YEARS OF AGE OR OLDER WITH A VALID DRIVER'S LICENSE AND VALID AUTOMOBILE INSURANCE. Donation of \$ 20 per test-drive, up to 300 total test-drives, for a maximum total donation of \$ 6,000 per event. Limit (1) donation per person and (1) donation per household.

**WHO:** The Beal City Education Foundation and Beal City Robotic Team

**WHEN:** September 13, 2019

From 1 pm to the start of the football game

**WHERE:** Beal City Football Field Parking Lot

This is a great opportunity to make money for the BCEF and the Robotics Team. We need 300 test drives (around the parking lot) to receive \$6,000 from Ford. There is no pressure to purchase. Just fill out a form and test drive a car or truck around the parking lot and Ford will donate \$20 per household to the BCEF and Robotics Team. What a great way to raise easy money for these two organizations. It won't cost you anything!!!!
