

# THE AGGIE EXPRESS

Jared Gottschalk was selected as the October Lion's Club Student Citizen of The Month. Jared was honored at a dinner along with his parents at the Comfort Inn. Congratulations Jared!

Rachel Pung was selected as the October Rotary Student Citizen of The Month. Rachel was honored at a luncheon along with her parents at Mountain Town Station. Congratulations Rachel!

## Mayes Elementary November Students' of the Month

Back Row Left to Right, Owen Ambs (6<sup>th</sup> Grade) son of Harry and Bethanie Ambs, Riley Sicso (5<sup>th</sup> Grade) daughter of Blake and Roni Sisco, Bennett Gilde (4<sup>th</sup> Grade) son of Kyle and Kelly Gilde, and Caleb Lehnert (3<sup>rd</sup> Grade) son of David and Amy Lehnert. Front Row Left to Right, Weston Zingery (kdg.) son of Derrick and Jennifer Zingery, Sophia Martin (1<sup>st</sup> grade) daughter of Johnathon and Cassandra Martin, and Isaac Jackson (2<sup>nd</sup> Grade) son of Brandy Jackson.

### **\*\*\*Staff Member of the Month\*\*\***

The Beal City Board of Education, in appreciation of the hard work that is done by all staff members of Beal City Public Schools, would like to honor a staff member each month for their service to the students and community of Beal City. This month's honoree is Deb Martin.

Mrs. Martin has been a teacher at Beal City Public Schools since 1984 and has gone over and above her regular duties as a Special Ed. Teacher many times. She spends extra time with students when needed and is a valuable asset to our teaching staff. Thank you Mrs. Martin for all that you do.

### **Beal City's Outstanding Professional in Education**

The Beal City Education Association nominated Mrs. Mary Kattreh for this year's Outstanding Professional in Education Award. Mrs. Kattreh was chosen because of her dedication to our community. She has worked for Beal City Public Schools for 20 years. She is a dedicated professional to both her students and her colleagues. Mrs. Kattreh can be counted on for advice and support for her colleagues. She is an advocate for her students and their parents. This dedication is what makes our school incredible.

Mrs. Kattreh was honored in October at a brunch celebrating and thanking many educational professionals throughout our RESD. Mrs. Kattreh explained that she has seen a lot of changes in education over the past 20 years, but she tries to keep an open mind and remembers that we are all in this together. Thank you, Mrs. Kattreh for all that you do.

# Balloon Launch

In September, Ms. Courtright's fourth grade science classes took part in a balloon launch. Forty-six students wrote letters about their location and placed them inside the balloon. We

were all curious to see how far our balloons would go. As of November, the students have received only one letter back. The letter ended up 2 miles East of Remus.

## 6<sup>th</sup> Graders Trip to Forest Hills Nature Area

The 6th Grade went on a field trip to Forest Hills Nature Area and the kids had a blast! It was a great 'hands-on' experience. The tour guides kept the kids busy moving between four different activities throughout the day.

The activities included:

1. Botany Bonanza and Invertebrate Zoo
  - \* A ½ mile hike into the woods with discovery of plants
  - \* Discovery of different types of animals
2. Stomp rocket activity
  - \* Prediction, data collection, angles, forces and a lot of critical thinking
3. Pond/microscope activity
  - \* Examining and comparing pond sample results
4. Venturing into the fields
  - \* Fall Harvest – Agricultural lesson on corn, wheat, and soybeans

# Down on the Farm

In September, Mrs. Natzel and Ms. Courtright's Fourth grade classes visited Bryant Farms in Shepherd, Michigan. It was sponsored by Isabella County Farm Bureau. The student's visited 10

different stations as well as petting three baby cows. They learned about agriculture and farm safety, different species of Michigan insects, different types of soil and layers and even talked to an animal vet.

If you were not able to attend the 2015 Annual Talent Show on November 17, 2015, you missed out! 7 acts: two bands, a duet, an acoustic guitar, a group of dancers, a pianist, and actors at their finest entertained the crowd. Every act was a success as was apparent in the cheers and applause coming from the crowd. The judges had the most difficult job of the night, but they did their best and followed their creative senses (thank you, you know who you are). The third place certificate went to "The Philo Experience," comprised of Nick Freeze, Miles VonDoloski, Ryan Ambs, and, oh yeah, David Philo. The second place certificate was awarded to Nick Freeze on the acoustic guitar singing "Hey There Delilah" by the Plain White T's. The first place trophy was given to Lauren Beltinck, Phoenix Vavzincak and Company for their skit to "Master of the House." All of the acts were spectacular and Ms. Holt would like to thank everyone for trying so hard and making the show the success it was. She would like to extend a special thank you to the backstage crew, light crew, and sound crew: she couldn't have done it without your help. And one final thank you, to Mrs. Gigowski, for mentoring Ms. Holt through the directing process and for sharing the knowledge and experiences of prior shows. Congratulations to all of the participating acts and especially the winners!

## Detroit Institute of Arts

On November 6, 2015, while many were still sleeping and looking forward to a half day of school, a group of 28 students along with Mrs. Henry and Mrs. Christensen set out for a day of art in Detroit. Through a grant from the Saginaw Chippewa Indian Tribe and Target, the students were able to visit Michigan's greatest art collection.

Students viewed Hispanic art such as the Diego Rivera courtroom and a couple of pieces by Pablo Picasso. They toured an extensive medieval sword and armor collection. Many were also fascinated with the contemporary and ancient collections as well. The tour allowed students to view a lot of different art forms and focus on some of those that they found particularly interesting. Each student picked a favorite piece and was able to explain what they enjoyed about the art, genre, or artist.

Afterwards, students and staff stopped by La Gloria Bakery and enjoyed a number of Mexican pastries. A second supply of churros topped off the visit, but students also purchased galletas, pan de muertos, and much more. It was an enjoyable experience for everyone.

Can't wait to do it again next year ;)

Mrs. Christensen's History 8 class learned about the American Revolution through a comparison to the game Capture the Flag. Students separated into 3 groups; the British, Americans, and French. Students acted out the challenges facing the colonists and their inexperienced soldiers, the hit and run tactics of the colonial armies, and finally the much needed support of the French in winning the war. The students had a great time and had a much better understanding of the challenges facing all sides of the American Revolution.

## *Fifth Annual Apple Pie Fundraiser Success!*

This year a total 675 Dutch Apple pies were made. The support from the community was overwhelming. Each year we get even more volunteers! Thank you! Your support was again amazing.

The next PTA meeting will be on Monday, December 7<sup>th</sup> in the Schools Media Center starting at 5:30pm. We will be gearing up for Santa's shop and Christmas Sing! Hope to see you there!

## **Winter Clothing**

It's that time of year again! Now that colder temperatures have finally arrived, we wanted to remind parents of our "Seasonal Clothing" policy, in the Parent/Student Handbook. When the temperature is 41 – 50 degrees, coats or sweatshirts are necessary. In addition, at **40 degrees or below, coats, boots, gloves and hats are required for ALL grades, and snowpants are recommended.** If a student comes to school unprepared to go outside, he/she will receive a warning the first time, and remain on the blacktop. If cold weather clothing is forgotten more than one time, students will have to stand against the wall or serve lunch detention. At all times, best judgment in accordance with weather conditions is expected. **Remember,** it could be warm in the morning and cool off throughout the day. We do live in Michigan!! It's better to pack the extra winter gear than to be caught without it when the weather turns.

The Beal City High School Drama Class

presents

This classic comedy is set in the Victorian Age (the last 25-30 years of the 1800s). Come enjoy the antics of Algernon and Jack as they “Bunbury” about the countryside.

Written as satire, the play encouraged people to think about the artificial barriers that defined society and enabled a privileged life for the rich at the expense of the working class. The British Empire was at its height and occupied much of the globe, including Ireland, Wilde's homeland. The English aristocracy was dominant, snobbish and rich — far removed from the British middle class and poor.

Through the use of constant satire, Wilde made fun of and tried to change the many social customs that kept women and the poor and middle classes under the feet of the aristocracy. MANY of the lines in the play are the exact opposite of truth or custom, and they set up the comedy throughout the play.

## ***Beal City Education Foundation***

Become part of the *legacy*.....

Continue our *tradition*.....

Donate with *pride*.....

We would like to extend our appreciation to you for supporting the Beal City Education Foundation. The annual 'Rock the Foundation' Halloween Bash was held on October 31<sup>st</sup> and because of your generosity and participation the event was successful. We had a great turnout for a fun filled night talking with friends and listening to "The Foolish Dreams Band."

With the sponsorships and the communities support, we raised approximately \$13,000 at the "Halloween Bash" which will be added to the fund. Your generosity gets us one step closer to our goal of providing a scholarship to every graduating senior and multiple enrichment grants that enhance the educational experience of Beal City Public School students.

We also had a great turn out for the first ever Trunk or Treat. The weather was not great, but thank you community members for bringing your cars and handing out candy. There were about 25 people that were handing out candy! We estimate that there were about 200 trick or treaters that were very appreciative for the event.

Each spring graduating seniors are invited to apply for the scholarships and teachers and staff are encouraged to submit enrichment grant proposals. To date, the BCEF has provided six student scholarships ranging from \$200 to \$500 and 12 student enrichment grants that improve the lives of hundreds of students each year. This past year, after reviewing some great scholarship applications, we provided Nichole Murphy with a \$500 scholarship. We also funded 2 student enrichment grants that will enhance the educational experience of a majority of our students.

With appreciation,

*The Beal City Education Foundation Advisory Board*

## **Holiday Program**

Mark your calendars now for the annual Mayes Elementary Holiday Program to be held on Friday, December 18<sup>th</sup> at 1:00 p.m. in the small gym. The Senior Citizens Reception will take place in the gym before the program at 12:30 p.m. All families and community members are invited to attend.

# **4<sup>TH</sup> ANNUAL BREAKFAST WITH SANTA**

## **ALL YOU CAN EAT**

**Sunday, December 20<sup>th</sup>, 2015**

**9:00a.m. –1:00p.m.**

**Beal City KC Hall**

**Cost: \$7.00 (Adults & Kids 13 and up)**

Problems always seem to happen at the most inconvenient times. Sufficient planning and preparation, and quality tires, can make the difference between a minor inconvenience and a potentially dangerous situation.

The leading cause of death during winter storms is auto accidents. Below are preventative tips to keep you safe on the road this winter. You may not be able to control Mother Nature but using caution and common sense can prevent an accident.

- **Always know the weather before you get on the road.** Remember to be extra careful when driving on bridges and overpasses; they are the first to freeze over. Be aware of black ice. Black ice occurs when the road appears to be dry but is darker and shinier than usual. Slow down when driving through these areas.
- **Always Buckle Up!**
- **Slow Down** (this includes turning, braking, stopping and accelerating).
- **Stay Alert.** Make sure you are aware of what the other drivers around you are doing.
- **Stay in Control.** If you do begin to fishtail, turn in the direction of the skid and make sure to keep your foot off the brake and gas pedals. If you must brake on a slippery surface, be sure to pump the brakes gently unless you have ABS (Anti-lock Braking Systems). If you have ABS, press the brake firmly and hold. Do not pump the brakes if you have ABS, this will lessen the effect of your brakes.
- **Avoid steep hills if possible.** Use alternate routes even if they are a little longer: they may be safer.
- **Keep enough distance between yourself and other cars.** Slick conditions can triple the distance it takes to come to a complete stop.
- **Keep your low beam headlights on...**no matter what time of day it is.

## Beal City PTA News

Santa's Shop will be on Thursday, December 10th. If you would like to help out, please contact Jen Ames @ [989-560-2302](tel:989-560-2302). Also, we would like you to mark your calendars. The 2nd Annual Snowfest Carnival is coming to Beal City on February 6th. More details to come. Please join us for our monthly meetings. They are the 1st Monday of the month @ 5:30 in the media center. We always welcome new faces and fresh ideas.

## School Breakfast Facts

A great breakfast program is offered at school every day!

Here are some fun facts about school breakfast:

- It's easy! Instead of running around in the morning trying to make sure your children eat a healthy meal, let us do the work. They can get a great breakfast at school, and there will be no dishes for you to wash!
- It's affordable! If qualified, your child may be able to get breakfast at a reduced price or for free. If your child already eats a free or reduced price lunch, they automatically qualify for a free or reduced price breakfast.
- It's tasty! Schools now have more variety to choose from when deciding what to offer your children for breakfast. Request a menu so you can view what your child may be eating at school.
- It's good for the brain! Research suggests that not having breakfast can affect children's intellectual performance (CDC).

**Every morning our breakfast consists of these whole grain items: assorted pop tarts, muffins, uncrustables, donuts, cereal, yogurt, juice, cheese stick and milk. Students must choose a fruit and 2 grain items.**

**Location: Aggie Cafeteria**

**Breakfast time every day: 7:40-8:05**

**Full pay price: \$1.50**

**Reduced: \$.30**

**Remember, no breakfast will be served if we have a delay.**

# DECEMBER 2015

## Beal City Schools Lunch Menu

MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
	<b>1</b> macaroni and cheese, (9-12 dinner roll), peas, garden bar, strawberry cups, juice Daily option: wg breakfast pizza	<b>2</b> Chicken Patty w/wg bun, sweet potato fries, garden bar, apples, juice and milk Daily option: (cheese) hamburger w/wg bun	<b>3</b> hot turkey sandwich (wg bread) with mashed potatoes and gravy, broccoli, garden bar, peach cup, juice and milk Daily option: wg chicken nuggets w/wg slice of bread	<b>4</b> nachos chips/cheese/meat, refried beans (9-12 cold carrots) garden bar, pineapple, and milk Daily option: wg cheese pizza

### News

**Happy Holidays and enjoy your break!! ☺**

**6<sup>th</sup>-12<sup>th</sup> grade additional daily lunch options:**

**Turkey sub, crispy chicken wrap, grilled chicken wrap, chef salad and a strawberry parfait.**

"...in harmony with the home and community..."

## MARCHING AGGIES!

**Second Division rating at MSBOA Marching Band Festival!  
First Division in Music Caption!**

### MARCHING AGGIES

A great outdoor season wrapped up Saturday, October 17. A chilly but beautiful morning greeted the Marching Aggies as we said farewell to our One Hit Wonders show - Kung Fu Fighting, Funkytown, Maniac and Take On Me. The Marching Aggies did something that is rarely done in high school marching - two musical selections with one drill. We even were able to put the same dance into the drill. Another spectacular performance at the annual Band-Tastic concert in October capped off a fantastic season!

### MARCHING PERCUSSION

Even with the Lincoln funds, the Marching Aggies have only 40% of the targeted goal to purchase new marching percussion. If you would like to make a donation directly to the Marching Percussion Fund, please contact Mr. Lowe: [jlowe@bealcityschools.net](mailto:jlowe@bealcityschools.net)

### SOLO & ENSEMBLE

High school students continue to show their initiative by signing up for MSBOA Solo & Ensemble Festival in February. Beal City will send upwards of 25 events involving nearly 50% of the Concert Band. This is involvement that is comparable of school three times our size.

### BEGINNING & MIDDLE SCHOOL BAND PARENTS

Students should be bringing practice records home to log practice time. These are weekly assignments. Practice records also serve as a progress report for parents; you can hear and know how your child is progressing in band.

### CMU EXPERIENCES

Central Michigan University music education students visited the Beal City Bands on Tuesday, November 17 to view Mr. Lowe's teaching within a small school band program. This is the 9th year and 17th visit by CMU students to Beal City. Thursday, November 19, Mr. Lowe served as a guest lecturer talking about teaching music in the public schools. This was Mr. Lowe's fifth time visiting the MUS 230 classroom as a guest lecturer.

Friday, November 20, ten student-musicians traveled to CMU for the annual Instrumental Workshop. Aggie musicians spent the day with several hundred other high school musicians and CMU professors for a day filled with music and learning.

**Carols & Candy  
Canes Concert**

**Sunday, Dec 6 - 4PM**

**CHECK FOR UPDATES ON THE BEAL CITY BANDS WEBSITE!  
[bealcitybands.weebly.com](http://bealcitybands.weebly.com)**

## **Seniors are getting accepted to college!**

Thanks to a grant from the Mt Pleasant Area Community Foundation, our seniors are still able to earn a free t-shirt that boldly says "ACCEPTED" across the front once they turn in a letter of acceptance from a college or university. Seniors sport their shirts through their senior year to promote a college-going atmosphere in our school and community. Many more shirts will be earned as the year progresses. Congrats to the Class of 2016!

## **Financial Aid Night**

Financial Aid Night will be December 9th in the Media Center. Please RSVP with Mrs. Millerov by December 2<sup>nd</sup> at [smillerov@bealcityschools.net](mailto:smillerov@bealcityschools.net) or by calling 989-644-3944

## **Project PALS Turkey Dinner**

Once again this year, many Pilgrims, Native Americans, and even turkeys were spotted roaming the halls of Mayes Elementary School on Monday, November 23. Our second grade students and their high school mentors presented their annual Project PALS Thanksgiving skit and turkey dinner. Thanks to the food service staff for a delicious home-cooked turkey dinner and the high school PALS for helping with serving the food. They served over 200 family members and students. All of this would not be possible without the outstanding efforts of the following Beal City teachers: Mrs. Kelli VanBlargan, Mrs. Carrie Smith and Ms. Jessi Spry.

## **Christmas Outreach**

Mayes Elementary students and staff will again be collecting items for the Isabella County Christmas Outreach program, to benefit needy families in our community. Students should have brought home a list of new toys, toiletries, and school supplies as suggested items needed to fill our classroom Christmas stockings. Please do not wrap these items. This is strictly a voluntary program. If you are able to donate items, please send them to school by Thursday morning, December 10<sup>th</sup>. We appreciate your generosity at this special time of year.
