

## District Mission Statement

Beal City Schools, in harmony with home and community, will educate our children in a positive environment that meets individual needs and goals in order that all students successfully function in an ever-changing global society.

## District Vision Statement

Our students are excited, responsible learners who are encouraged by home, school, community, and place of worship. As leaders, they are fully confident that they will graduate well prepared to meet the challenges and high expectations of the 21st century. As successful, life-long learners and productive citizens of high morals, they work to their fullest potential to make a positive difference.

Our children begin their discovery of knowledge in a nurturing family environment. Our school and families work in harmony to provide a safe, supportive, and challenging learning experience. Our premier educational team enthusiastically embraces innovative teaching methods and high standards of performance. Our schools are the central point of learning. Using the latest technology, the world is truly our classroom.

Our school district and community are committed to high expectations and high standards. We proactively work together to provide skills, knowledge, and resources thus ensuring a fully supportive environment for excellence in education for all stakeholders.

## District Belief Statement

We believe our children can learn.

We believe in creating independent, life-long learners.

We believe all children deserve equal opportunities and treatment.

We believe in promoting a positive self-concept.

We believe it takes a community as a whole, to educate a child, and encourage parental involvement and participation.

We believe in ensuring a safe and positive learning environment.

We believe in and encourage diversity.
