Questions about your immunizations????
Please call the health department at (989)773-5921.ext. 1405

Central Michigan District Health Department bills private insurances, Medicare and Medicaid for the full cost of the vaccine. For persons paying with cash, check or credit cards the cost of the vaccine this year is \$45.00, but a sliding fee scale may apply that is dependent upon income and family size, thus reducing the overall cost.
